GLASS-ED Mission Statement

*The Great Lakes Area Show Series-Educational Dressage, Inc. (GLASS-ED) is a non-profit corporation, dedicated to the promotion and encouragement of the sport of Dressage. GLASS-ED is open to all enthusiasts of Dressage, all breeds of horses, all riding levels, professional or amateur, so as to encourage the progressive training of the horse and the rider that defines dressage. Our emphasis is to provide an enjoyable, safe, educational, competitive dressage experience for both new and experienced horse/rider teams creating and encouraging a positive environment for competitive excellence in the future.*

Toward this end, GLASS-ED will organize and sanction dressage competitions in the State of Michigan, with certification of compliance to USEF/USEA rules, except as modified by GLASS-ED, including appropriate records reflecting the same.

## Warm-Up Arena Etiquette

---

- Pass left shoulder to left shoulder.
- When walking, stay well to the inside of the track, so that those who are working may make use of it. Also, if you are going to halt, rein-back, etc., either come in off track or do it on the short ends of the arena.
- Lateral movements (especially the shoulder-in and the haunches-in, which usually are done along the wall) have the right of way.
- Do NOT cut someone off.
- Look where you are going and where others are going.
- If you notice that someone is not looking where they are going, say in a LOUD voice, “HEADS UP!”
- If you should lose control of your horse, warn others by saying in a LOUD voice, “HEADS UP!”
- Lunging a horse in the Warm-Up arena at a competition is not allowed. Find out where lunging is permitted. It is also not a good idea to lunge in an arena where other people are riding as it often is very dangerous (and selfish, since it takes up an enormous amount of space!).
- Remember – be polite and forgiving – we all make mistakes.

## 2025 GLASS-ED Rules Overview

Complete rules for GLASS-ED, forms for show entry, membership, year end awards, musical rides, year end award point standings, and more are located at [www.glass-ed.org](http://www.glass-ed.org). **It is your responsibility to read the entire rule book. This is just a high level overview of key points. In case of information conflicts, the rule book is the official documentation.**

### Participation

**Maximum Ride Limit:** A horse at Introductory Level may enter a maximum of six classes per day. Horses entered at Training Level or above may enter a maximum of four classes per day.

**Helmets:** ASTM/SEI equestrian protective headgear must be worn by anyone mounted on a horse at any time on the competition grounds. The harness must be secured and properly fitted.

**Attire:** USEF rules for attire apply (DR120 and WD122). However, paddock boots with half chaps of a conservative color are allowed for Introductory through Fourth Level.

**Junior, Young Rider, and Adult Status:** Individuals are eligible as Junior/Young Riders until the end of the calendar year in which they reach the age of 21. Competitors shall compete as Adults from the beginning of the calendar year in which they reach the age of 22.

**Professional Status:** Any person who trains horses or riders for recompense, monetary or otherwise within one year of the show entered, shall be considered to be a professional for purposes of GLASS-ED shows. Professional riders may not enter Walk-Trot Equitation. Professional riders may only enter classes designated as “open.”

**Walk Trot Equitation:** Walk-Trot Equitation classes are open to any rider showing in only Introductory Level or walk-trot classes. Professional riders are prohibited from the class and riders who have entered Training Level or higher classes in the same show are prohibited from entering walk-trot equitation.

**Judges:** Riders who have taken a lesson or purchased a horse from a judge within the 30-day period preceding that show may only ride hors concours under that judge.

### Conduct and Requirements for Competition Management

**Leadline Classes:** Leadline classes are limited to riders age 7 and under; riders entering leadline classes are prohibited from entering any other class at that show. All leadline entries require a leader to be registered on the on the entry form. All leaders must be over the age of 18 and will be responsible for the safety of the horse and rider.

### Year-End Awards

**Registration** To be eligible for GLASS-ED Year End Awards, the rider must be a GLASS-ED member, the horse must be registered with GLASS-ED and the rider/horse team must have participated in at least three (3) GLASS-ED shows.

**Point Accumulation:** Begins on the date the Membership and Year End Award Registration forms and all fees are received by GLASS-ED or a GLASS-ED show host and ends at the last show of the GLASS-ED season.

**Qualifying:** A registrant shall be deemed qualified in a category, if the registrant has ridden in at least one (1) class in a category in at least three (3) different GLASS-ED shows since registering for that season. In addition, least one (1) of the tests ridden in this award must have a minimum score of, at least, 55% to qualify for a high percentage year end award.

**High Percentage Championship:** High percentage championship is awarded to the competitor with the highest average percentage of all scores received in their division.

**Test of Choice:** Scores from Test of Choice (TOC) classes will count toward Breed Awards and Certificates of Achievement. Refer to full rules for details on TOC classes.

**Point System:** The point system for calculating rider and breed GLASS-ED Year End Awards is shown below.

If only Open level classes are offered at a show and a rider is registered for Junior/Young Rider or Adult Amateur year end award categories, placing points will accumulate for the year end award category for which the rider is registered. However, if Junior/Young Rider or Adult Amateur divisions are offered as separate classes, rides in Open classes will not count toward Junior/Young Rider or Adult Amateur year end award categories.

Placings awarded at recognized USDF dressage shows may be used for the GLASS-ED category USDF Open – All Levels year end award high point accumulation, and placings awarded at recognized USDF events may be used for the GLASS-ED category USDF Open. Send rider and horse placing within fourteen (14) days after completion of the competition to the GLASS-ED Point Keeper at [points@glass-ed.org](mailto:points@glass-ed.org). Include the internet address of show results for verification of placing.
