Chapter 1 - General Rules

1.1 GLASS-ED Membership

- A. The membership year is December 1st to November 30th.
- B. Riders need not be members of GLASS-ED or any other group to compete at GLASS-ED sanctioned shows.
- C. GLASS-ED members are eligible for GLASS-ED Year End Awards as listed in Rule 4.
- D. **Returned Checks:** GLASS-ED may charge a processing fee for any checks given in payment of GLASS-ED related fees and subsequently returned by the bank for any reason.
- E. **Membership fees are non-refundable.** All membership fees – including membership fee and additional horse fees are non-refundable.

1.2 Show Season

The GLASS-ED show season shall begin on December 1, continuing through the next year and ends with the last GLASS-ED show of that show season. For purposes of determining rider/horse eligibility at GLASS-ED shows, any show held after the last GLASS-ED sanctioned show of the season shall be considered to be part of the following year's show season.

Chapter 2 - Participation

2.1 Maximum Ride Limit

A horse at Introductory Level may be entered in a maximum of six Introductory level classes per day including rail classes (may only be Intro classes). Horses entered in any classes Training Level or above may enter a maximum of four classes per day including rail classes. If a horse enters the arena more than the allotted number of times, all rides after the allotted number will not count towards points (lead line classes are not included in ride count).

2.2 Dress and Attire

- A. **Helmets:** At GLASS-ED run shows, protective headgear must be worn by anyone mounted on a horse at any time on the competition grounds. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. If a rider refuses to comply with the request, the horse and rider will be eliminated from any remaining classes that day and if the horse and rider have already shown, any placing or points accrued on that day will be disqualified.
- B. **Attire:** USEF rules for attire apply (DR120 and WD122), however, Paddock boots with half chaps of a conservative color are allowed for Introductory through Fourth Level.

2.3 Eligibility

- A. **Junior Status:** Individuals are eligible as juniors until the end of the calendar year in which they reach the age of 21.
- B. **Professional Status:** Any person who trains horses or riders for recompense, monetary or otherwise within one year of the show entered, shall be considered to be a professional for purposes of GLASS-ED sanctioned shows. A rider who works for a barn or boarding stable in exchange for full or partial board and/or instruction will not be considered a professional, as long as the work done does not include training horses and/or riders. Owning a stable, farm, or barn, which accepts paying boarders, will not per se make the owner a professional, unless the board paid includes training for the horse or rider, and this training is done by the owner himself/herself. Professional riders may not enter Walk-Trot Equitation. Professional riders may only enter classes designated as "open."

- C. **Walk Trot Equitation:** Walk-Trot Equitation classes are open to any rider showing in only Introductory Level or walk-trot classes. Professional riders are prohibited from the class, and riders who have entered Training Level or higher classes in the same show are prohibited from entering walk-trot equitation.
- D. **Judges:** Riders who have taken a lesson or purchased a horse from a judge within the 30-day period preceding that show may only ride hors concours under that judge.
- E. **Para-Riders:** Physically Challenged riders are allowed to apply for a dispensation specific for their disability 30 days prior to showing. If there is no board meeting held within the time limit to rule, the president has the authority to make a ruling regarding the dispensation. Any current USEF Dispensation Certificate will apply and must be included with the rider's entry.

Chapter 3 - Conduct and Requirements for Competition Management

3.1 GLASS-ED Technical Ambassador

A GLASS-ED Ambassador shall be made available by phone to each show host for each show. The Ambassador responsibilities shall include, but are not limited to, verifying that the show is run in accordance with GLASS-ED rules, and settling disputes between show management and competitors. The GLASS-ED Ambassador shall have the final decision on interpretation of rules. The GLASS-ED Ambassador shall be designated by the board, and may be a rider or coach.

3.2 Scheduling Considerations

- A. **Combined Classes:** Classes may not be combined.
- B. **Canceled, Split Classes:** The management of each show has the right to cancel or split classes. Show management may also close classes before the closing date if the maximum number of rides in that class has been reached.
- C. **Contiguous Rides:** All rides within a class are to be held under the same conditions, if possible. Therefore, if possible, all rides within a class are to be contiguous (i.e. one after the other). USDF allows rides to be scheduled out of sequence to allow a reasonable interval between two or more horses entered by the same rider in the same class. When preparing a time schedule, consideration must also be given to riders entered in more than one class or riding more than one horse. In addition, a judge's break in the middle of a class does not constitute a violation of the contiguous ride rule.

3.3 Scoring and Prize Giving

Tie-Breaking: 1st place is awarded to the competitor with the highest percentage score. 2nd place is awarded to the competitor with the next highest score, and so on. In case of equality of scores, the competitor with the highest total collective marks shall be placed 1st. When collective marks are equal, the placing will be a tie. If the tie is for 1st place, both competitors will receive 1st place; subsequent placings shall be 3rd, 4th, and so on. When the tie is for 2nd place, the placings shall be 1st, 2nd, 2nd, 4th, 5th and so on.

3.4 Class Limitations

- A. **Acceptable Movements:** The movements for Walk/Trot Equitation shall be limited to the movements required for Introductory Level tests A and B. Unacceptable movements include but are not limited to: sitting trot, trot to halt, rein back, dropped stirrups.
- B. **Suitable To Become a Dressage Horse Class:** The Suitable class is open to any horses three years of age and older. The class is to be shown at a walk, trot and canter; both directions. The class is to be judged on the horse's potential to become a dressage mount.
- C. **Leadline Classes**
 - 1. Leadline classes are limited to riders age 7 and under.
 - 2. Riders entering leadline classes are prohibited from entering any other class at that show.
 - 3. All leadline leaders must be over the age of 18 and will be responsible for the safety of the horse and rider.

D. Rules for Musical Rides.

1. All Musical Rides will be held in the 20m x 60m ring.
2. **Time**
 - A. For all Musical Freestyles the maximum time limit is five (5) minutes; there is no minimum time. Any movement executed after the time limit will not be judged, and two (2) penalty points will be deducted from the Artistic Impression score for exceeding the maximum time.
 - B. Timing will begin from the horse's or lead horse(s) move-off after the initial halt and salute. At the final halt, timing will stop, but judging will continue until the final salute.

E. Music

- A. Music is mandatory. It is recommended that you contact a show host in advance to ensure the appropriate medium is available. CD is preferred.
- B. Music may start before, while or after the horse(s) and rider(s) enter the ring, however, entrance music provides a check that the medium for playing the music is working before the rider enters the ring. The rider should clearly indicate whether the music is to start before, or at what point after the rider enters the ring. This should be prearranged with the show host or staff.
- C. The music medium should have only the music for the performance on it. The name of the rider and horse or team and the level to be ridden (for the standard Musical Freestyle only) should be written on the music medium. At least one extra copy of the music should be brought to the competition.
- D. The music shall be prepared so that it starts at the correct point when the play button is pushed.
- E. Should the music source fail, show management may either have the horse and rider or team restart immediately, or reschedule the test to be ridden later during the show.

F. Standard Musical Freestyle

1. A rider may ride any Musical Freestyle level from Introductory through FEI.
2. **Movements**
 - a. A rider may use any figures, patterns, combinations or transitions that utilize elements permitted at the declared level.
 - b. Refer to USEF DR 129 Musical Freestyle Ride for permitted and forbidden movements for all levels. There will be a deduction of four (4) penalty points for use of a movement clearly above the stated level of the test. This deduction will be made for each illegal movement, but not for each occurrence of the same movement.
3. **Attire:** Standard dressage attire appropriate to the level of the test ridden should be worn (see Rule 2.2.B). The rider must wear an ASTM approved helmet (see Rule 2.2.A).
4. **Choreography:** The initial halt and salute and the final halt and salute should be performed facing the judge at C.

E. Anything Goes Musical Freestyles

1. **General Rules**
 - a. Movements from any level may be ridden without penalty. These classes should be scheduled so as to give riders and horses time to change into and out of costume (minimum of one hour).
 - b. Judges may use half points when scoring the technical part and tenths of a point when scoring the artistic side.
 - c. Ties will be broken by the judge.
2. **Attire:** Costumes are required, and the rider must wear an ASTM approved helmet. Horses may also wear decorations or costumes.

F. Anything Goes Quadrille and Anything Goes Pas de Deux Team

1. General Rules

- a. The Quadrille and Pas de Deux teams must be named. The team may consist of an unlimited number of riders and horses. Riders and horses may be added throughout the show season. However, for the Quadrille Team, only four (4) placings will be awarded at a show and only four (4) year-end awards will be awarded to the team at the end of the show season. For the Pas de Deux Team, only two (2) placings will be awarded at a show and only two (2) year-end awards will be awarded to the team at the end of the year.
- b. For Year End Awards, if any member of the team is a professional, then the team is designated as Open.
- c. If a movement is used in the Quadrille or Pas De Deux freestyle, each member of the team must perform it.
- d. If horses on the teams are not of the same level, the lower-level horse determines which level the team may enter. The lower-level horse may enter no more than two (2) consecutive levels. The upper-level horse is exempt from the two (2) consecutive level rule.
- e. Standard dressage rules will be used, except as noted below:
 - i. For the Quadrille, if any one of the four (4) riders or horses fall, the entire team shall be eliminated. For the Pas de Deux, if any one of the two (2) riders or horses fall, the entire team shall be eliminated.
 - ii. For the Quadrille, should the judge decide that any of the four (4) horses is lame on entering the ring, the entire team must be immediately eliminated. If, during the performance, one (1) or more of the horses appears to become lame, it is up to the judge to determine whether the team shall be eliminated; this determination to be made based on the specific circumstances of each case. For the Pas de Deux, should the judge decide that any of the two (2) horses is lame on entering the ring; the entire team must be immediately eliminated. If, during the performance, one (1) horse appears to become lame, it is up to the judge to determine whether or not the team shall be eliminated; this determination to be made based on the specific circumstances of each case.
 - iii. Should any one (1) horse leave the arena, the entire team shall be eliminated.
 - iv. Whips and spurs may be worn, but are not required, and if used by one (1) rider, are not required to be used by all riders.

2. Guidelines for Anything Goes Quadrille and Anything Goes Pas de Deux Teams

- A. Anything Goes Quadrilles and Anything Goes Pas de Deux freestyles are ridden to music chosen by the team using choreography that is done by the team to highlight the best features of the team's riders and horses.
- B. Anything Goes Quadrilles and Anything Goes Pas de Deux freestyles have no compulsory movements so as to encourage the maximum amount of creativity.

G. FEI Tests in Test of Choice Classes

1. All FEI rules will apply except where stated otherwise.
2. Riders must attach two blank copies of the test(s) to be ridden to the show entry form.
3. Normal FEI attire shall be worn, with the exception that an ASTM approved helmet must be worn (see Rule 2.2.A).

Chapter 4 – Year-End Awards

4.1 Registration

- A. To be eligible for GLASS-ED Year End Awards, the rider must be a GLASS-ED member, the horse must be registered with GLASS-ED and the rider/horse team must have participated in at least three 3 in person GLASS-ED sanctioned shows to qualify for in-person year end awards, or 3 GLASS-ED virtual shows to qualify for virtual year end awards.

In-person and Virtual show year end awards are earned and awarded separately and scores from each cannot be combined.

- B. A rider may only compete for Year End Awards in one division. If a Junior or Adult Amateur wishes to accumulate points in the Open division, they must register as Open on their membership form.
- C. Point accumulation begins on the date the membership and year end award registration forms and all fees are received by GLASS-ED and ends at the last show of the GLASS-ED season.
- D. The rider/horse team must be registered to accumulate points.
- E. At least one (1) of the tests ridden must have a minimum score of at least 55% to qualify for the high percentage year end award.

4.2 Placing

Champion and Reserve Champion Year End Awards will be given to eligible GLASS-ED members. If there are six (6) or more registrants in a category (or a split category) who have fulfilled all the requirements, a third-place award will be given. If there are ten (10) or more registrants in a category (or a split category) who have fulfilled all the requirements, a fourth-place award will be given.

4.3 Class-Award Associations

- A. **Test Classes:** Dressage tests and western dressage tests will count toward their respective Rider Award, toward Breed Awards, and toward Certificates of Achievement.
- B. **Suitable and In-Hand:** Suitability and In-Hand will count towards Breed Awards, but not toward Rider Awards or Certificates of Achievement.
- C. **Equitation:** Equitation classes and non-qualifying specialty equitation classes will only count toward Equitation awards. Walk-Trot Equitation classes will only count toward walk/trot equitation awards and dressage equitation classes will only count toward Dressage Equitation awards. Note: Equitation classes do not count toward breed awards.
- D. **Test of Choice:** Scores from Test of Choice (TOC) classes will count toward Breed Awards and Certificates of Achievement. Scores from Test of Choice (TOC) will count towards Rider Awards only when the test class is not offered by the show host. Riders may enter and choose the test they want to ride. 2023 USDF Tests, 2022 Western Dressage Tests and Para-Tests may be ridden in Test of Choice class and points earned will accumulate toward year end award category selected. All tests in a TOC class must be ridden in the same size ring. If entries consist of tests typically ridden in the small ring and tests typically ridden in the standard ring then all entries must be ridden in the standard ring. However, the show host has the option to split the TOC class into two classes, thereby utilizing the small ring for Introductory and Training Level classes and the standard ring for all tests above Training Level.
- E. **Freestyle Classes:** The Musical Freestyle and Anything Goes Musical Freestyle classes will count toward the respective Rider and Breed Awards. None of the Freestyles count toward Certificates of Achievement.
